

## Declaration of Compliance

**Declaration:**  
**Regulation EU No 1935/2004**  
**Regulation EU No 2023/2006**

The materials and applications listed below are referred to in the above regulations under Article 5 Annex 1, They are therefore not new, and are not 'active' or 'intelligent' materials or substances, and no application for new substances under Articles 8 and 23 of the regulation is being sought.

Therefore under Article 16 of the regulation this letter constitutes a Declaration of Compliance that the list below complies with the requirements of the regulation and we can provide the appropriate evidence of compliance as laid out in the Regulation.

Product: DMH358 FPM FDA blue  
Description: Sealing material (FPM); blue

DMH-Notation	: DMH358 FPM FDA blue
Material Number	: 358
Base polymer	: FPM
Colour	: blue
Hardness (Shore A)	: $80 \pm 5$
Density (g/cm <sup>3</sup> )	: $2,53 \pm 0,03$

DMH confirms that the above-mentioned materials are produced conform to the EC Regulation 1935/2004 and - under normal or foreseeable conditions of use - releases no constituents to food in quantities which could endanger human health or cause an unacceptable change in the final product.

As FKM's are not covered by National Regulations it is allowed to use well-accepted scientific principles. In this case the FDA 177-2600 has been used to demonstrate the compliance with the EU1935/2004 regulation.

These compounds have been manufactured under procedures "Good manufacturing practice" as laid out in regulation EU 2023/2006
